

PRYSMIAN GROUP AND PANDUIT TO PRESENT PANGEN STRUCTURED CABLING SOLUTIONS AND SHOWCASE PRODUCT INNOVATION

PANGEN TO SHOWCASE BEST-IN-CLASS CABLING AND NETWORK INFRASTRUCTURE SOLUTIONS AT 2023 BICSI WINTER CONFERENCE & EXHIBITION IN TAMPA, FL

Highland Heights, Ky., February 2, 2023 – The newly integrated [PanGen Structured Cabling Solutions](#), a robust and optimized infrastructure cabling solution developed through an innovative partnership with [Prysmian Group](#) and [Panduit](#), is set to present its complete portfolio of cable products at the BICSI Winter Conference and Exhibition February 5-9, 2023 in Tampa, Florida.

The Prysmian Group and Panduit stand – Booth #201 – will showcase PanGen’s market-focused open-architecture network solutions, which integrate Panduit’s network connectivity and Prysmian’s GenSPEED® cable products. The Panduit and Prysmian partnership recently formed the PanGen brand, offering a premium cable solution portfolio of Category 6A, 6 and 5e copper and fiber systems.

By combining the technological expertise and innovation of Panduit’s connectivity and Prysmian’s GenSPEED® cables, PanGen Structured Cabling Solutions provides the broadest range of world-class copper and fiber products needed for any network infrastructure.

PanGen is committed to delivering products that exceed our customers’ performance, quality, value and safety requirements, whether through our focus on customer service, continuous improvement and manufacturing excellence, or the development of new and innovative products.

Visitors attending the BICSI Winter Conference and Exhibition can learn more at the Prysmian Group/Panduit exhibition stand #201.
